Hi Andy,

Thanks for filling out the Doodle Poll. I will check and see if the Huske Dam is open. Also, Mark mentioned the possibility of bringing the boat out for a day. That may be helpful, if possible.

Best,
Hillary

Hillary,

I filled in the dates that I am available.

Have you checked to see in the Huske Lock and Dam are open again?

We really need to figure out how to get these samples. A boat may be the best option.

Thank you very much,

Andy

Subject: Cape Fear Sampling Campaign

Hi Mark and Andy,

I created a Doodle Poll to help organize my Cape Fear River sampling campaign. If either of you are still interested in helping, could you please fill out the poll below with the dates that you would be available? Please let me know if you have any questions. Thank you both for all of your help and mentorship thus far. I really appreciate it!
